

If you have missed any Zoom meetings and would like to complete the activity pack the instructions are below for each week.

Once you have completed an activity please either e-mail to

Jemma (jemma-l-williams@hotmail.com) or post on the facebook page. We would love to see your work and once the pack is completed there is a badge you will have earned.

### Week 1.

Shield sheet – Design your own shield, it could show anything you want from something that you like or are interested in to something related to Knights (dragons, swords, castles etc.)

### Week 2

Stained glass window – the stained glass window in your pack works better with felt tip pens. Colour your design in and place it in the window, see the colours brighten when the sun shines through it.

### Week 3

Jigsaw pack – take this out of the bag and draw something to do with knights on it. Make sure you colour all of the area.

Once you have completed your picture, take it apart and see how long it takes you to put it back together. What was your best time?

### Week 4

<https://www.youtube.com/watch?v=gL3Pg1ThiW0>

The video above will show you how to make them, we have wrapped the rice for you.

Next see if you can learn to juggle (<https://www.youtube.com/watch?v=QutsSlIFXLw>)

Don't forget to show us what you have made and drawn.

We will put up the next set of instructions for the Easter break.

Stay safe
